## Carrer Obective

Motivated and detail-oriented Web Developer with hands-on experience in React.js, HTML, CSS, JavaScript, and modern web technologies. Currently working at DAD the AD, building responsive and user-friendly websites. Seeking a challenging role to contribute technical skills and grow as a frontend developer in a dynamic team.

## Work Experience

### Web Developer

**DAD the AD    Jan 2024 – Present**

- Developed responsive websites using React.js, Tailwind CSS, and JavaScript.
- Built reusable components, handled state, and implemented clean UI/UX.
- Integrated APIs and worked with Node.js for backend interactions.
- Used Python and Django for backend development and simple admin features.
- Applied Git for version control and deployed basic projects to cloud platforms.

## Education

### B.Tech – Artificial Intelligence and Data Science

St. Mary's Women's Engineering College, Guntur   || CGPA : 7.82

### Diploma – Computer Science

St. Mary's Women's Engineering College, Guntur   || CGPA : 7.84

### SSC - 10th

ZP High School || CGPA : 8.0

## Technical Skills

- **Languages:** HTML, CSS, JavaScript (ES6+), Python, Shell Scripting
- **Frontend:** React.js, Bootstrap, Responsive Web Design
- **Tools:** Git, GitHub, VS Code
- **Backend Basics:** Django
- **Cloud:** Microsoft Azure, AWS (Basics)
- **Database:** SQL
- **Others:** Power Point, MS Excel, MS Word

## Projects

### Crop Price Prediction / Farming Made Easy Using ML

- Built a machine learning model to predict crop prices using historical data, weather, and market trends.
- Technologies: Python, Pandas, Scikit-learn, Power BI for visualization.

### Portfolio Website

- Designed a personal portfolio website using React, showing projects, animations, and contact integration.

## Certifications & Internships

### Full Stack Developer Intern (Jan – Apr 2024)

- Built web apps using HTML, CSS, JS, Django, and SQL. Assisted with APIs and cloud deployment.

### AWS Intern (May – Jun 2023)

- Worked with EC2, S3, RDS, Lambda, IAM, and CI/CD tools.

Certified in Cloud Computing, React.js, and Web Development.
